

The Free-Improv Carolling Session

As it seems it is Christmastide again and there will be a party on the 11th December anyway, how about singing some X-mass **Carols** & Yuletide songs?

Bring your instruments or your voices or simply yourselves; bring your songs in any language & tradition. No rehearsals – also not a presentation. Let's just sing together and improvise and have fun! We'll meet around the piano in the Study Room and see what happens.

When: 11.December, starting 7:30 PM

Where: around the Study Room piano (1st floor)

Why: because singing goes with **Glühwein**

Márcio Steuernagel
